**Contact: Adam Bradbury**  
**(801) 777-2067**

[adam.bradbury@hill.af.mil](mailto:adam.bradbury@hill.af.mil)

Select #: NM0744142

Lead Representative Chris Todd Lobato

Various safety topics will be discussed including flying in and around Special Use Airspace. There will be a safety representative giving a safety briefing about mid-air collision avoidance.

In addition, there will be will other various topics prior to the open house.

The Open House & Airshow will have numerous static displays including many of the aircraft in the Air Force fleet.

**Directions:** The Hill AFB Open House & Airshow will be on the main flight line and the gates will open at 8:00 am.

9:00 am: WINGS/MACA Safety seminar for pilots interested in these programs will be held at Hangar 900 at the west end of the ramp.

If flying in, prior permission is required. Click here for permission form and instructions.

### **A message from the National FAASafety Manager**

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
